To Whom It May Concern:

This letter is in response to your inquiry regarding allergens and sensitive ingredients. Please be advised that while we can assure you that all our food products are manufactured in accordance with the specification, we cannot guarantee that they are produced in an allergen-free establishment.

Regarding our sanitation procedures and allergen precautions, we regret that specific information is proprietary and cannot be disclosed. I apologize for any inconvenience this may cause. However, I do want to assure you that we employ Good Manufacturing Practices (GMPs). As such, we schedule production in accordance with a matrix whereby allergens are introduced to the production lines from least to most. In addition, each establishment is subject to federal inspection by the USDA, FDA, or in some cases both Agencies and complies with all applicable regulatory requirements to include HACCP/HARPC and SOP.
